Ex-gratia to Pensioners/ Family Pensioners

Dear Federals,

At Federal Bank, we cherish the warm relationships we have built with all our stakeholders among which Retirees of the Bank are an integral part. We have always been at the forefront of supporting our Ex-Federals through various welfare measures.

We are delighted to be leading the way once again and it has been decided to extend the payment of ex-gratia as per 12th Bipartite Settlement / 9th Joint Note to our valued Pensioners/ Family Pensioners. This gesture reflects our deep commitment, going beyond mere obligations. Your contributions have been invaluable, and we remain dedicated to your well-being.

Warm Regards,
