Engage Community : Harness Opportunity

A CSR Bulletin from Federal Bank

Corporate Social Responsibility (CSR) has been an inherited and inbuilt element of Federal Bank's culture. Federal Bank Hormis Memorial Foundation, instituted as a public charitable trust in 1996, to perpetuate the fond memory of the Bank's founder late K. P. Hormis, is the principal arm in implementing various CSR programs/ projects of the Bank. The activities of the Trust are directed towards inculcating better knowledge and awareness in the field of banking through training programmes, focused seminars, and so on.

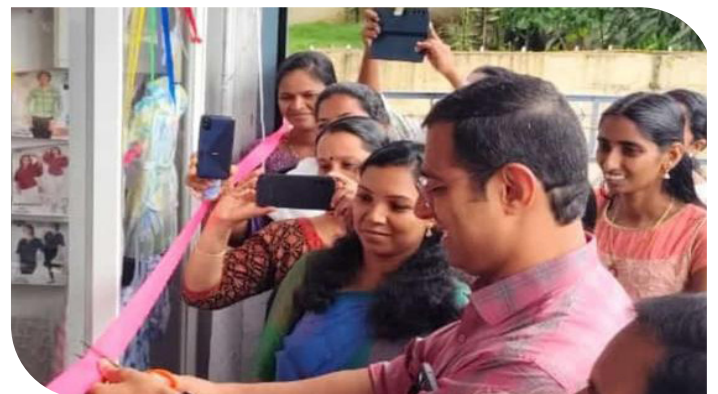

Federal Bank has been meaningfully contributing for the improvement of society to create a positive impact on the world through its sustainable practices, philanthropic endeavours, and community engagement. The Bank has approved a policy for Sustainable Development, which ensures that Bank's activities are conducive to sustainable social welfare. The CSR goals of the Bank aligns with the Sustainable Development Goals (SDGs) established by the United Nations.

Federal Skill Academy proudly celebrates a new milestone with the inauguration of its 8th Skill Academy at Guwahati. This significant event took place on July 30th, with the former MD & CEO of Federal Bank, Shri Shyam Srinivasan, and CFO, Venkatraman Venkateswaran, gracing the occasion.

Launched in 2015 as a CSR initiative by Federal Bank, the Federal Skill Academy continues to provide quality technical education and creating employment opportunities for youth from economically underprivileged backgrounds. With the addition of the Guwahati center, the Academy now operates in full swing across Kochi, Coimbatore, Kolhapur, Faridabad, Ambattur, Belgaum, and Vijayawada.

This expansion underscores Federal Bank’s unwavering commitment to empowering the youth and fostering economic growth through skill development.

Solar Plant to Power Universal Engineering College, Irinjalakuda

7 AFFORDABLE AND CLEAN ENERGY

The use of solar energy is crucial to reduce the dependency on fossil fuels which can be harmful to the environment in several ways. To diminish reliance on traditional power sources and to lower the cost associated with it, Federal Bank has partially sponsored for the installation of a solar power plant of 50 Kw capacity at the college.

The Universal Engineering College (UEC) is a private engineering college located in Irinjalakuda, Thrissur District of Kerala, India and was established in 2011 with the aim of contributing to society and its development through education.

Equipment for providing mid-day meals at St. Joseph's Higher Secondary School, Mathilakam

2 ZERO HUNGER

The St. Joseph's Higher Secondary School, Mathilakam has around 1,600 students, mostly from economically weaker sections of the society, and the school provides mid-day meals for these children. In order to modernize their kitchen facilities, we have facilitated provision of a rice boiler of 50 kg capacity and a rice washing machine of 30 kg capacity. This will help in meeting the requirements of the school to cater to such all students. The school is the biggest in Thrissur, Kerala in terms of the number of children studying and is well-known for its academic and non-academic activities as well as providing good education to the children with modern facilities in all aspects.
