Billing Statement:

Your billing statement will be generated every month on the date selected by the customer. The statement will contain a break-up of all purchases, repayments, fees, interest charges, refunds and taxes. In case the card was not used in a month, the statement will mention that there was no spends in that month.

Mode of sending statement:

The link to download billing statement and summary will be shared over email, monthly, and will also be available on your Scapia app or through such other means as may be decided by Federal Bank.

*****Minimum Amount Due:**

Minimum Amount Due (MAD) is calculated as 5% of Total Amount Due (subject to minimum of Rs. 200/-), new EMI debits for the month or any previously unpaid EMI debits + GST + charges+ interest+ Fees. In the event the Card Member deposits part of the Total Payment Due or the MAD (not less than the MAD under any circumstance), the balance outstanding amount payable shall be carried forward to subsequent Statements. This amount will attract interest Charges until the date of full and final payment. Please note that making only the minimum payment every month would result in the repayment stretching over months/years with consequential compounded interest payment on your outstanding balance.

Method of payment:

You can pay the outstanding dues from the Scapia App itself, through the following modes:
a) Debit Card b) Netbanking c) UPI

Billing Disputes Resolution:

In case of any query or a dispute on the charges indicated in the statement, it should be communicated to the Bank within 30 days of receipt of the statement, by using any of the

contact modes stated below, failing which it would be construed that all charges indicated in the statement are accepted by you. Upon contacting the Bank, the Cardholder will be provided information related to charges levied on the card account and a temporary suspension would be applied on the disputed transaction under investigation, if required. The Bank shall resolve such disputes within a maximum of 60 days.
